A New Way to Give!

Online giving is another easy paperless contribution option that uses debit or credit card transactions as a payment system. This is different from Automatic Withdrawal in that the transactions are handled through a third party vendor. To contribute using a debit or credit card, follow the [THIS LINK](#) to our secure giving site. **Please make sure to specify the name of the offering in the "notes" part of the second page.** You do not have to create account unless you want to save your information for quicker use in the future.

This is a great and convenient option for special offerings, but please note that 2% of your contribution is used to pay transaction fees, so for pledges, we still highly recommend Automatic Withdrawal. You can contact Katie in the office for more information 608-238-3121.
