Mission Update

The Mission Committee made another delivery of coats, hats and gloves to Thoreau this week. In total, we have provided about 35 coats and lots of hats and mittens.

Thanks to all who purchased coats and left them at church. And to the Knitwits who knit lots of hats and mittens for us to provide!

In addition to cold weather clothes, we were able to support the school by providing little thank you gifts for the substitute teachers who are coming to fill in for teachers-- the school is currently experiencing unprecedented staff shortages, as are all schools.

The Mission Committee is so grateful to be able to fill the needs of the school because of Westminster's strong commitment to our Adopt a School program. The Thoreau weekly newsletter included a description of what we do: "At a recent Adopt a School meeting, Principal Davidson asked if we could help create small welcome gifts to provide to any substitute that comes to Thoreau. Just something small to show that we care and that we appreciate the important service a substitute provides for the school. Westminster Church immediately jumped in and offered to purchase an assortment of small gift cards. What a great community partner!"

Our own Rhea Schultz was recognized by the Madison Area Jail Ministry as the "MAJM Volunteer of the Year." Congratulations Rhea on this well-deserved honor. Thank you for your tireless efforts in our community!

Although current restrictions prevent us from doing a formal appreciation gathering, we still wanted to share this information and wish them the best of luck. They will be greatly missed.
