12th Night Play February 13 - You're invited!

Our friends from the Nakoma League are putting on their 97TH ANNUAL TWELFTH NIGHT (virtually). Through plagues, wars, the Great Depression, and recessions, the 12th Night Players have been here to liven up these deep winter months. They'll be virtual this year with an original musical performance. This event is free but is also a fundraiser for our amazing partners at the Madison Area West Collaborative (in fellowship hall). The play is Feb 13th at 7:30pm, and is one hour long. If you're interested, here is the registration web link. <https://nakomaleague.wildapricot.org/>
Everyone is invited and welcome, so spread the word!

Plates For 8 - Let us know!

Now that the new year has started, the Fellowship committee will be putting together Plates for 8 groups to meet over Zoom. It's not too late to sign up! If you would like to participate via Zoom or would like to be notified when in-person meetings are available again, please email Lynnette Tortorich at lynnetteet@outlook.com by the end of January.

Helping the MWHAC

Now through the end of January, there is an easy way for everyone to help the collaborative's grocery delivery program (housed at Westminster). The collaborative has been selected by Metcalfe's Market as the Charity of the Month for January 2021. This means you get a 5% discount and the collaborative gets 5% donated to them (up to \$1000) for all in store purchases. Just make sure to use the below barcode flyer below while shopping throughout January. For a printable/larger version of the flyer [CLICK HERE](#).

A New Way to Give!

Online giving is another easy paperless contribution option that uses debit or credit card transactions as a payment system. This is different from Automatic Withdrawal in that the transactions are handled through a third party vendor. To contribute using a debit or credit card, follow the [THIS LINK](#) to our secure giving site. **Please make sure to specify the name of the offering in the "notes" part of the second page.** You do not have to create account unless you want to save your information for quicker use in the future.

There is even a phone-friendly app that you can also use for this online donation. Download Give Plus from your phone's app store. Then just search for us by zip code "53711." Look for Westminster Presbyterian (make sure it's at 4100 Nakoma Rd. in Madison) and then you can donate. Just click "give now" and follow the prompts. (You do not need to create an account to donate unless you want your information stored by Vanco for future use.)

This is a great and convenient option for special offerings, but please note that 2% of your contribution is used to pay transaction fees, so for pledges, we still highly recommend Automatic Withdrawal. You can contact Katie in the office for more information 608-238-3121.
