Forum on Human Trafficking:

Sex trafficking has occurred in every county in Wisconsin. It is here, in Madison. Following Ms. Flores' presentation, a panel of local professionals, as well as a trafficked survivor and a father of a trafficked child, will speak on the status of sex trafficking in our state and city, why and when it occurs. Event will be held at the Fitchburg Library Sun. Feb. 10th 1:30 to 4:30 pm.

Follow-up on Racism Forum: February 17, 11:30 am to 2:30 pm

Remember the Forum we hosted on Racism a few years ago ? Here's a chance to do some follow-up and ongoing discussion.

When The Diagnosis is Racism...Is it contagious? What are the signs and symptoms? Can it be treated and are there different treatment options? Is there a cure? What spoken or unspoken words or gestures have I used to talk about people who are different from me?

Grace Episcopal is hosting this event and would like to seat 8 people of various ages at tables to have this discussion. They are encouraging congregations to fill out a table of 8 with members from their congregation. The Event and Meal (Fried Chicken, Collards, Sweet Potato Pie) is Free but RSVP is requested.

Ruth Hein plans to go and if you would like to join her, please contact her soon (as the tables may fill up) via phone 608-347-4724 and she will do the RSVP.
