### Summer Reading Program - Help Students Read!

Westminster Presbyterian Church has supported the Thoreau Summer Reading Program for three summers. Kelly McCann, a Crystal Apple award-winning teacher at Thoreau, has guided the program since its beginning 7 years ago. By going directly to the student's home with age appropriate books based upon their interest profile, and involving other siblings in the process, Kelly has helped the students continue to read during the summer and has provided the family with a library of donated books for their enjoyment. In the wake of the pandemic closures of our schools, this program continues to be critical to student's success with reading and comprehension skills.

Donations remain critical to our ability to provide this needed service again this summer. Our teacher is ready and students are being selected, so please consider helping this worthy program. Checks can be made out to Westminster with "Summer Reading" in the memo or donate online through our online giving.
