Summer Backyard Book Groups

Westminster Presbyterian has traditionally held a series of summer backyard book discussions over the years. We are looking for some volunteers to host these events over the coming summer months. The hosts would have the choice of facilitating via Zoom, meeting outdoors in their backyards, or using the patio or lounge at the church, or using a combination of online and in-person interaction. Three books have been suggested, although hosts are also free to suggest their own choices for books. The suggestions:

- 1) The Hate U Give by Angie Thomas
 - 2) Underground Railroad by Colson Whitehead
 - 3) Nickel Boys by Colson Whitehead
- If you are interested in being a host, please contact Betty Bush,

Kelly McCann

Our good friend (reading specialist and teacher at Thoreau), Kelly McCann was recently diagnosed with acute leukemia and will be at UW for at least the next month as she awaits a bone marrow transplant. She would very much appreciate cards, letters and words of encouragement. As a teacher, we also think she would enjoy receiving artwork from children so we encourage families to consider this.
