Join us on December 12 following the service for our Advent Event! We'll be decorating cookies and making decorations and ornaments. From Ruth Hein

A Sincere Thank You to all for your prayers, cards and other kindnesses in the past two months for my coping with my brother's death and my knee surgery. I had my 6 week check-up with the surgeon 12/6 and per the xray – it looks great – that jagged tooth extra bone is indeed gone. Hallelujah!

An Advent Devotional for You—Last Call

Rise Up Shepherd: Advent Reflections on the Spirituals by Luke A. Powery. African American spirituals give us profound insights into the human condition and the Christian life. This is a follow up to the Lenten devotional that we used last Spring, also written by Dr. Powery. Each daily reflection includes scripture readings, a focus on one of the spirituals, and a closing prayer, and is an ideal companion through this special season. The first day of Advent is Sunday, November 28. Books are \$12 and are available through today in the narthex. It is also available on Kindle and can be purchased through Amazon.

Volunteers Needed for Another Thoreau Family Food Delivery

On December 17th, Westminster will again deliver boxes of shelf stable food weighing 12 - 15 pounds to the homes of Thoreau families. Six teams of 2 people have signed up, but we could use one or two more teams. At 8:30am, the teams will meet at Westminster to receive instructions and will then load 2 boxes/family into their vehicles. A navigation app is recommended for directions. Entire process will take about 2 hours. If you're available to help, please contact Rhea Schultz at rannschu@gmail.com. Talk to your spouse or ask a friend to partner with you. Thank You!

Coffee Prep Help Needed

We still could use a few extra folks to rotate in now and then! Please consider being a coffee helper. It's easy! We have directions and will train you. You can even set up the coffee before Sunday. The sign up is on the coat-rack table in the narthex. If you have questions, please contact Kathy Key.

Coats for Thoreau Students

The social worker at Thoreau has informed us that they are in need of coats, hats and mittens for students. If you have a children's coat (sizes 6-12) that you would want passed along to the school, please bring it into the church (narthex) and the Mission Committee will make sure it gets there. Knitwits is donating hats and mittens and we will use mission funds to supplement donations so they have what they need. Thank you!

during worship due to lack of use. However, if you are interested and would like to have it open in the future, please send us an email ahead of time at info@westminsternadison.org and we would be happy to arrange care again.

Christmas Joy Offering

The goal of this special offering remains the same as when it began. Retired church work-ers and their families are supported through pension assistance and housing supplements provided by the Board of Pensions.

Emergency Assistance Grants are made available to those currently serving in churches when an unexpected need or financial crisis arises. And future leaders are aided through the Presbyterian Church's commitment to education and leadership development, including scholarships to many students of color to continue their education. The theme of this year's Christmas Joy Offering is a verse from the Book of Proverbs: "A gift opens doors." Your financial gifts to the Christmas Joy Offering open doors...doors to a more fulfilling or less anxious life... doors to higher education and leadership development. Please prayerfully consider this gift this time of year which will be collected through Christmas Eve. You can make checks out to Westminster and mark JOY in the memo. Thank you!
